XIII. BUILDINGS AND GROUNDS

XIV. PUBLIC COMMENTS

XV. BOARD MEMBER COMMENTS

Mr. Chapman said that he would like the Finance Committee to take a look at the funds for the district organizations/student activities to see how everything is being disbursed so we can make sure that it is being done fairly and equitably for all of our students. He would also like to take a look at the revenue numbers from the Adult School to see how everything is going with that. He would like an estimate of the hours that people are investing in their time and the dollars that are being generated from it. Lastly, he said that he had a couple of people talk about the direct deposit after last weeks' meeting and really things that the direct deposit is a very important thing for us. He said that he wants the district to be effective and efficient. The government makes you take your social security check via direct deposit so there is no reason why we shouldn't have that as well. Mr. Chapman congratulated all of the teachers that received tenure today. He said that he knows some of them, he doesn't know some of them but he knows that we are lucky to have all of them.

Mrs. Anesh said that she was curious how the one-to-one devices are going at Grant School and the Middle School because she heard some concerns from parents about what happens if the children break them. She asked if we have any kind of insurance.

Ms. Malyska said that right now the one-to-one program has rolled out fairly well. There is a pick-up system in the morning where children are able to pick up their devices from their homeroom and there is a return time in the afternoon. She said that we don't need to take out an insurance policy because they aren't taking the devices home. She said that while the devices are in the building, we can monitor how the students are using the devices. Ms. Malyska said that they ordered extras to ensure that if there is a breakage or a breakdown of the system or the device in some capacity it's able to be replaced. They did the rollout in mid-September. It took that time just to develop the system fully so that everyone had their assigned chrome book and their assigned number.

Mrs. Anesh said that she just wanted to go on record and put parents' minds at ease. She said that she didn't think it was going to be a problem but figured she would check.

Mrs. Anesh said that the other thing she wanted to bring up is that she noticed that December 7th is Middle School conferences and the Grant Winter Concert. She was hoping that perhaps we can work on making a change to one of those so that parents don't have to choose which child that they can support. Dr. Lishak said to Mrs. Anesh that when she texted her that yesterday she reached out to the Middle School. Mr. Vroom was on a trip but that there is no issue and they will find a different date for that.

Mrs. Anesh gave a shout out to the marching band. They are in 4th place out of 42 and they have their championship coming up this weekend. The difference between 1st place and 4th place is a point, so that is actually really, really good. Hopefully they will be successful and improve their scores even more this weekend.

Mr. Giannakis congratulated all of the employees that received tenure tonight. That is a tremendous mark to hit and to see how many of them are from South Plainfield and stay in South Plainfield is a testament to this town. He said that one of the rights that we have is to vote and this is an important election this year and he hopes that everyone can get out and make an educated vote when they do this year. It's a gubernatorial election and it's also a school board election for us and it is an important one. Please make sure you make a vote this year. Make it an educated vote. I know that there is a Candidate's Night on October 30th at the Senior Center.

Mrs. Boyle congratulated all of the tenures tonight. She knows that they give over 110% to this district and we are happy to have them. Thoughts go out to Mr. Slavin and his family. He was a teacher at the Middle School who passed away. October 28th is our Cultural Arts line dancing at the Senior Center from 6:00 – 10:00 p.m. and anybody is welcome to come. October 30th is not only Meet the Board of Education Candidates but Meet the Council Candidates as well. Board of Education is 6:00 – 7:30 p.m. and the council candidates is 7:30 – 9:00 p.m. November 1st is our Middlesex County School Boards meeting. We have guest speakers on finance and building a budget. November 4th is our Zombie Fest downtown from 3:00 – 5:00 p.m. Everybody is invited to attend. The street will be closed off and vendors are welcome to come out. There is no cost to the vendors. November 5th is trunk or treat in the High School lot from 1:00 – 2:15 p.m.

December 2nd, Public Celebrations is hosting a holiday caroling event from 6:00 – 7:00 p.m. in Memorial Park. They will be serving hot chocolate, candy canes and cookies. December 5th at 7:00 p.m. in the Senior Center is the anti-drug and alcohol seminar hosted by Mayors Wellness. There will be a judge from the drug court. Parents who have lost children and recovering addicts. Please come out. It is very important. Mrs. Boyle said that in regards to direct deposit, she understands how some of the people that have been in this district for numerous years feel about doing direct deposit but she is sure that if there is any issues or stumbling along the way Mr. Damato and Mr. Fried will help. Also, in regards to adult education, she said that we've talked about that for numerous years through the various superintendents that have been here and she knows that people feel that it's important to be able to pay by various means because the district has to worry about bounced checks and cash, it is easier and more efficient for them to do the adult education with credit cards. Again, we've looked at it for the past number of years. Hopefully a determination can be made as to the status.

Mr. Cassio said that he wants to update from last week. Mr. Chapman brought it to our attention that he was concerned with the crossing guards on Plainfield Avenue. Mr. Cassio said that he's been working with Officer DeLair over the last few weeks to address the situation. There is some concern that there is no crossing guard south of Madison Avenue. Officer DeLair is looking into possibly putting in a guard on the corner of Tompkins, possibly Rahway and Plainfield, or even O'Donohue and Plainfield. He's going to do a survey and see what the necessities are there. Mr. Cassio said he also spoke to Councilman Vesche who is also the Department of Public Works for the county. He would like a list of crosswalks that need to be restriped. He will have that addressed. They were supposed to pave Plainfield Avenue this fall but that has been pushed off until next summer so he addressed the crosswalks need to be painted. Mr. Cassio also discussed the crossing for Spring Lake Park on Maple Avenue to the PAL. Especially now that there are lights on the turf field and children are crossing that road. They would like to put some kind of lit crosswalk or a light there so the children are not in any more danger. Other than having a crossing guard there before and after school, we are drawing those children in that direction toward Jost Field.

Councilman Vesche said that was brought to the county's attention previously. They, at this point, do not feel the need to put something there and take on the liability. Mr. Cassio said that he found that appalling. He said that he does not have a problem with the county pushing back to the council and have the council address it within the town. He spoke to Councilman Wolak today and he absolutely said he will look into it. He will speak to Mr. Cullen and the rest of the Council and the Mayor and possibly put it on their agenda to see what they can do in the near future to get something addressed over there.

Mrs. Miller congratulated all of our tenure recipients and said they should be proud of all of their accomplishments. She wished them all much success and a very rewarding future in your field of education. Thoughts and prayers go out to the families of Bob Conway and Craig Kulick. Mr. Conway was a wonderful teacher that was loved by all. He was the nicest, kindest person that you could ever meet. He never spoke a negative word

about anyone and the district will definitely miss him. Craig was a student who went through our school district. He graduated from South Plainfield High School. He was a great kid. He graduated in 2005 and unfortunately he passed away recently as well so our thoughts and prayers go out to his family as well. Mrs. Miller asked that everyone please come out and vote on Election Day, Tuesday November 7th.

Mrs. Miller said that in regards to the adult school, they have been trying to have administration look into it for years now. Some of our concerns were payment of our instructors. If you have, for example, two yoga instructors, one may be getting more than the other one. She said that we may be charging more for one class than another class. Administration always starts to look into the adult school and then other things take priority and it gets pushed to the side.

Mrs. Boyle said that she has something about the cross walks. Two years ago, as a shared service, she worked with Lynn Miller from T&M Engineering from the Borough and we submitted a Grant for lighted crosswalks but, unfortunately, the funding for that was used and they don't have that grant available anymore. That was for that specific area in front of the PAL so hopefully they will be able to find another way to get a grant for lighted crosswalks. Also, in front of Roosevelt School, on the corner, she worked with Kevin Murtaugh and that was when Jose Negron was the Superintendent. That's also a county road and we asked for a flashing sign to warn the people as they approached Roosevelt School but the county did not put that through.

Mr. Giannakis asked where the grant money ended up going. Mrs. Boyle said that we didn't get it. The Federal Government didn't have the funds to continue that grant even though we submitted.

Mr. Cassio said that he doesn't care that they don't have grant money. They need to find money. It needs to be figured out and it needs to be done. He said that they will be hearing from him.

Mrs. Glover said that she would like to address some concern that came from a board member regarding conflicts of interest. She asked for everyone to please bear with her and she read the following: "Absent another conflict, a board member who is currently a member of any Statewide Public Teacher's Union but in another school district cannot participate in the aspect of negotiations until the memorandum of agreement, including salary guides and total compensation packages have been obtained. Participation by the board member in any aspects of negotiation prior to the time implicates breaking the law. After the memorandum of agreement, including the salary guides and the total compensation package has been obtained, the board member can, absent any other conflicts, vote on the collative bargaining negotiations agreement". Mrs. Glover said that since she is an NJEA member, she is conflicted. She said that she was never part of negotiations. She wanted to make that clear before November 7th. She was allowed to vote. She said they submitted a little cheat sheet for us to know who is conflicted and who isn't. A lot of constituents have come to me talking about what is a conflict and what does it mean. Unfortunately, our district had to waste \$1,717.50 to get this decision

which we already knew that our legal council had told us. If anybody is interested she will be posting this little cheat sheet on her Facebook page. Please follow it, check it out, if anybody has any questions. She said, yes, she voted on the teachers' contract after it was already negotiated. Thank you.

Mr. Farinella said that he would hopefully like to close on a very positive note. We've all congratulated our non-tenure teachers for earning tenure tonight but he wanted to emphasize something that was said by all the principals that we often forget about what happens with teacher. Every single one of those teachers has not only been identified by those principals by doing very well in the classroom. Sometimes we stop the conversation there that every single one of those faculty members that are in our district are doing fabulous things with kids outside of the classroom and that is why our school system is strong and he said that he really wants to emphasize how important that aspect of what happens in our schools. The impact on kids is overwhelmingly positive and very significant in terms of making our kids competitive beyond the South Plainfield Public Schools. Congratulations to those teachers and principals for highlighting those points and keep up the good work. He said that he is proud of them all.

Mr. Seesselberg said that he also wanted to remind people about the debate on Monday, the 30th at the Senior Center. The Board of Education candidates is 6:00 – 7:30 p.m., followed by the council candidates. Please make it a point to get out there. You'll be able to ask questions about the time limits and see how the candidates will do and Tuesday, November 7th is Election Day. It is your privilege to vote in this great United States and we have gubernatorial on down to school boards so please take the time. She said that he knows some of the voting districts have moved so please check your sample ballots and make sure you show up at the right place. This Friday night is our last home football game for the year against Carteret. Our team has had a rough year but they are all out there playing their hearts out and he said that he thinks it will be great for them to see some support in the stands and congrats to the band. He said that he did see a t-shirt that says that prior to the main event, the halftime show, there will be a football game before and after the halftime show. 7:00 p.m. this Friday night at Jost Field.
